

NATIONAL ROAD CHAMPIONSHIPS 2018

Date : Sunday 2nd September 2018

Venue : St. Peters College – Cambridge.

Important Notes for consideration:

1. As the National Road Championships are on a Sunday, athletes need to make their own air transport arrangements to and from Auckland or Hamilton. The Cross Country & Road Committee has hired a van to provide transport to Cambridge from Auckland Airport. Team members need to be at Auckland Airport by 1 pm Saturday, 1st September to guarantee a ride in the van to Cambridge.

2. It is important that when you are booking your return flight, that the flights from Auckland Airport are from 7pm onwards. The last running race - Elite Men & Women - is at 12.45pm. The walking races - Men & Women – start at 2.00pm and are due to be finished at approx. 3.15pm.

2. It is important that you start looking at return flights to Auckland now.

There have recently been flights to Auckland at \$49 one way.

3. The Cross Country and Road Committee have organised accommodation at the **Podium Lodge Cambridge** for the Canterbury team on the Saturday night, as well as vans for the team to travel in.

The accommodation is approximately 500m from the Race venue.

4. COST – At this stage we are working on approximately \$80 for accommodation for the Saturday night.

5. REMEMBER – The CCRC will pay a third of your travel from Christchurch to Auckland return and a third of your accommodation costs. This will be up to a value of \$150.00.

6. CLUB SUBSIDY – Please make sure that you apply to your Club for a subsidy in addition to the CCRC subsidy.

7. After reading all of this, I hope you will seriously consider nominating yourself for the Canterbury team.

8. Should you have any questions please don't hesitate in contacting Kevin or Daniel as below.

9. The nomination form will be at
