

Canterbury Team Selection

Compiling this information has been a challenging exercise and there still may be errors, omissions, and changes. A few athletes who have just missed the selection standards have been included in recognition of their ongoing effort and support of the sport, plus you may be required in a relay team.

RELAY TEAMS: If you are interested in being considered for a relay team, please contact Andrew Stark ASAP.

If your name does not appear on this list, you are to compete in club uniform. If you are required for relay team, you will be added to the Canterbury Team.
