ATHLETICS CANTERBURY CROSS-COUNTRY & ROAD AWARDS

The background features a dark, almost black, space. In the lower-left corner, there are vibrant, flowing red shapes that resemble liquid or smoke. In the lower-right corner, there are bright, flowing blue and cyan shapes, also appearing liquid or smoky. A thin, vertical white line is positioned to the left of the word 'WELCOME'.

2023 OVERVIEW

- Excellent results locally, nationally and internationally
- Our traditional events
 - Mixed attendance at some
 - Pleasing to see the good numbers at our Championship events
- Key new event – The Loburn 68, a real highlight
- A year in which we bid farewell to a key person in our sport
- A sport we can be proud of, but needs to evolve
 - New rules in which we work
 - Evolving runner base
- Room for improvement in 2024 and beyond

THANK YOU

1

Our hard-working committee.

A new member this year with Oska Baynes joining us, and untimely departure of Daniel Reese.

2

The Race Directors especially John Gamblin, Vic Gamperle and those from our clubs who fulfilled this role.

The CHAV MEN group – always willing to help.

3

Peter King, retiring from the Committee.

Perhaps best known for making the Crater Rim event iconic, Peter has been a huge contributor to our team over many years.

4

Our very supportive Officials and those people who contribute both on the day and behind the scenes.

5

Our participants, our parents, and our coaches, who make all the effort worthwhile put into creating events worthwhile.

Daniel Reese

A wonderful
announcer, a
dedicated selector
& team manager, a
pro-active
committee
member and to all
of us, a great
friend.
