Together We Belong.

When I accepted the role of Chair of Athletics Canterbury, I kept coming back to one simple thought:

Athletics is where people belong.

For some, it's where lifelong friendships are made. For others, it's where confidence is discovered, resilience is built or dreams begin. Whether you are taking your first steps on the track, chasing a personal best, volunteering on a Saturday morning, coaching the next generation or representing New Zealand on the world stage, athletics has a unique ability to bring people together.

That sense of belonging is what makes our sport so special.

It is an honour to serve as Chair of Athletics Canterbury and to help shape the next chapter of our organisation.

Firstly, I would like to acknowledge Andrew Stark for his outstanding leadership and unwavering commitment over many years. Andrew has devoted an extraordinary amount of time, energy and expertise to Athletics Canterbury, helping build the strong organisation we enjoy today. On behalf of our entire athletics community, thank you for your remarkable contribution and the legacy you leave.

I would also like to thank my fellow Board members. While the Chair is often the visible face of governance, Athletics Canterbury is led by a dedicated team of people who generously contribute their time, experience and expertise to shape the future of our sport. Good governance is never the work of one person - it is built on robust discussion, shared commitment and a collective desire to see athletics thrive. I am incredibly grateful for the support, wisdom and passion each Board member brings and I look forward to working alongside you as we deliver on our vision for Athletics Canterbury.

A special thank you must also go to our Ian Thomas (General Manager), Chloe Roberts (Development Manager) and members of Athletics Canterbury 'team' who do the work behind the scene. Behind every event, every school programme, every partnership, every funding application and every opportunity created for our athletes is an enormous amount of work that often goes unseen. Their commitment to our sport, professionalism and willingness to go above and beyond ensure Athletics Canterbury continues to move forward. Your dedication does not go unnoticed and it is deeply appreciated by our clubs, members and wider community.

I would also like to recognise every volunteer, official, administrator, coach, club committee member, sponsor, supporter and member of our staff. You are the heart of Athletics Canterbury. Every event we deliver, every athlete we support and every success we celebrate is only possible because of your generosity, commitment and passion. Thank you for everything you do.

Canterbury has much to celebrate. We continue to produce athletes who excel on national and international stages, deliver outstanding events and foster clubs that welcome people of all ages and abilities.

But our greatest success isn't measured by medals alone.

It is measured by the young athlete who discovers a love of running, jumping or throwing. The volunteer who gives their time so others can compete. The coach who inspires confidence. The official who ensures every event is fair. The club that welcomes a new member. The friendships formed, the resilience built, and the sense of belonging created through our shared love of athletics.

As we look ahead, it is clear that the world around us is evolving rapidly. People's expectations are changing. Communities connect in different ways. Volunteers have less time, young people have more choices than ever before and sporting organisations must continually adapt to remain relevant, engaging and sustainable.

That presents both a challenge and an exciting opportunity.

Our new Athletics Canterbury Strategy 2026–2028 is built around a simple but ambitious vision: **to be New Zealand's leading athletics region, recognised for participation, athlete development, exceptional events and a thriving athletics culture.**

To achieve this, we will focus on growing participation, strengthening our clubs and community, developing athletes, coaches and officials, delivering exceptional experiences and building strong foundations that will ensure athletics continues to thrive for generations to come.

This strategy is more than a document -it is a commitment. A commitment to continue evolving, to embrace new ideas, to work collaboratively, and to ensure every person who interacts with Athletics Canterbury feels welcomed, valued and inspired to be part of our community.

The opportunities ahead are significant, and I am excited about what we can achieve together. By working alongside our clubs, schools, Athletics New Zealand, partners, volunteers and members, we can create an athletics community that is stronger, more connected and more inclusive than ever before.

Thank you for the warm welcome I have received as Chair. I look forward to working alongside all of you as we build the future of athletics in Canterbury.

Because at the end of the day, athletics is about much more than competition.

It is about people.

It is about community.

It is about belonging.

Together, we belong. Together, we achieve.

Entity Information

Athletics Canterbury Incorporated for the year ended 31 March 2026

Legal Name of Entity

Athletics Canterbury Incorporated

Entity Type and Legal Basis

Charitable Trust and Registered Charity

Registration Number

CC39446

Entity's Purpose or Mission

To lead and inspire participation, development and excellence in our sport.

Entity Structure

The Constitution states that the affairs of the Association be governed by an elected Board consisting of a Chairperson, plus up to six committee members. The Treasurer and Secretary are appointed by the Board.

The governance of the sport is managed by the Board, with the assistance from the General Manager. The delivery of the sport is via the following operational committees, the Track and Field Committee, the Cross-Country and Road Committee and the Mid South Canterbury Sub-Centre (Timaru and surrounding region). Canterbury Childrens Athletics is an associate member of Athletics Canterbury who organise and deliver events to our younger members (6 to 14). All committee members are volunteers. Numerous other volunteers support the association with its various activities and events throughout the year.

There is one full time General Manager's role which started 1st August 2018, plus a full time Development Officer. There are two part-time contract roles, a Registration Secretary and Track & Field Interclub setup role.

Main Sources of Entity's Cash and Resources

The Association receives its income from registrations, race entry fees, grants and donations.

Main Methods Used by Entity to Raise Funds

Generally, the Association does not formally fund-raise. The proceeds from locally authorised athletics events and registrations cover the cost of running events, with minimal to no expected surplus.

The Association has successfully secured grants from various organisations to fund the General Manager's position, plus a newly created Development Manager role, plus several of the on-going operational costs to cover expenses associated with track & field and non-stadia events. Additionally, we engaged a marketing company to better promote the sport to the community. Typically, significant purchases of new or replacement capital equipment are financed through grants or donations.

Entity's Reliance on Volunteers and Donated Goods or Services

The Association is almost completely reliant on volunteers, who contribute to the running of the Board, Track and Field Committee and Cross-Country and Road Committee, organising local athletics events and organising and accompanying athletes to various meetings.

Westpac

Statement of Service Performance

Athletics Canterbury Incorporated for the year ended 31 March 2021

'What did we do?', 'When did we do it?'

Description of Entity's Outcomes:

The objective of Athletics Canterbury is to foster and support the sport of athletics in the Canterbury & West Coast regions and support the Mid-South Canterbury Sub-Centre based in Timaru as our representative in that region. These objectives are delivered in the following areas:

Governance:

Following Athletics Canterbury's July 2025 AGM, long-serving chair Andrew Stark and board member Avril Davies resigned. Tony Fallon, then a board member, was appointed chair and two new directors, Ben Adams and Clive Antony, were elected.

In mid-January, Tony Fallon and Katherine Ewer both resigned citing work commitments. Jo O'Sullivan, a former Athletics New Zealand board member, was subsequently co-opted to the board and appointed to the chair role to provide experienced leadership.

Organisational Governance and Operational Overview:

We are committed to structured succession planning and improving gender balance across governance and operational roles to ensure sustainable, healthy organisational progress.

Recognising that funding from traditional sources remains constrained, we adopted an Operational Fundraising Strategy developed by Barrer & Co. Implementation has highlighted the need to diversify revenue streams; this remains an ongoing priority as we refine approaches to increase financial support for the sport.

Committee membership has been strengthened with new appointees to the Cross Country & Road Committee, while recruitment for the Track & Field Committee remains a focus. We are reviewing the remit and structure following recent changes involving our fundraising manager and a new marketing partner. Continued investment in officials and coaches is essential for high-quality event delivery.

Our sport is delivered through two principal committees: Track & Field, and Cross Country & Road. We provide support to the Canterbury Children's Athletics Association and maintain close working relationships with Canterbury Masters Athletics Association and the Mid-South Canterbury Sub-Centre.

We engage proactively with Athletics New Zealand to align our events with national requirements. The General Manager and Development Manager provide operational leadership and oversight to maintain professional standards. We also sustain constructive relationships with Nga Puna Wai staff and co-located sports organisations, Christchurch City Council, Sport Canterbury, Athletics NZ, funders, and sponsors. Active sponsor engagement and targeted applications for smaller grants continue to be priorities.

Two contract roles have been established: event support for interclub competitions at Nga Puna Wai and administration of club membership registrations. These positions support a professional approach to governance and operations.

In May 2025 we hosted the Annual Awards Function to recognise the achievements of athletes, officials, and coaches.

Delivery:

We organise interclub stadia and non-stadia competitions, provincial championship events and, in partnership with Athletics New Zealand, deliver national championship meetings as required. We hosted the Athletics New Zealand Cross-Country Championships on 2 August 2025.

We supported the International Track Trust to deliver a Bronze-level track and field meeting on 21 February 2026 at Nga Puna Wai, providing logistical and operational assistance.

We contributed equipment and key officiating personnel to Athletics New Zealand for the National Track and Field Championships held in Auckland from 5 to 8 March 2026.

We assisted Primary School Sports Canterbury with zone and final championships during Term Four 2025, and supported Secondary School Sports Canterbury with championship meetings in mid-March 2026, including hosting the South Island Secondary School Championships in late March 2026.

We supported the Canterbury Children's Athletics Association in delivering interclub programmes across the track and field season, enhancing grassroots participation and athlete development.

We selected and managed Canterbury representative teams for national stadia and non-stadia competitions, and provided limited financial assistance to athletes, officials, team managers and coaches, where appropriate, for travel outside the Canterbury region.

We offered targeted education and training opportunities for coaches and officials to maintain high standards in event organisation and officiating.

Description and Quantification of the Entity's Outputs

During the 2025 / 2026 year Athletics Canterbury provided the following services to the sport and its participants, either directly as the organiser or by assisting affiliated athletics clubs or organisations in the region:

Winter programme (April – October) catering for up to 500 competitors aged from seven years to over eighty years:

During the season we organised ten individual inter-club cross-country and road events, including five Canterbury Regional Championships, and staged three local relay competitions. In October we assisted with delivery of a 10km event in Timaru. We selected and managed regional representative teams for national cross-country and road championships. Additionally, we provided support to Primary and Secondary School Sport Canterbury in coordinating their cross-country and road championship events.

We selected and managed regional representative teams that competed in national cross country and national road championship events.

We supported Secondary School Sport Canterbury in the running of their cross-country & road championships.

The Summer programme (October – April) caters for athletes aged from fourteen years plus. Competition for children aged from seven years to fourteen years is organised by Canterbury Children's Athletic Association, with assistance from Athletics Canterbury:

The following provides a concise, professional summary of Athletics Canterbury's track and field activities and support during the 2025–2026 season.

Opening day for the track and field season at Nga Puna Wai was scheduled for 18 October 2025. Between late October and late February, Athletics Canterbury delivered eleven interclub track and field meetings at Nga Puna Wai. In November an additional four Thursday-night community events were run to support non-club secondary school athletes preparing for the National Secondary School Championships in early December.

On 8–9 November Athletics Canterbury hosted the South Island Combined Events Championships at Nga Puna Wai. In early December the organisation assisted Primary School Sports to stage the regional Primary School Track & Field Championships at Nga Puna Wai, which attracted over 1,800 participants.

From 5–7 December Athletics Canterbury contributed equipment and key officials to the delivery of the National Secondary School Championships in Hastings. In late December a twilight meeting at Nga Puna Wai was held to accommodate athletes across all regional age groups.

In January the organisation supported the Mid-South Canterbury Centre to host the Lovelock Classic in Timaru and assisted Athletics Tasman with delivery of the Colgate Games. During late January to early February, specific championship events were incorporated into interclub meetings, including pole vault, 3,000m and steeplechase. The 5,000 m championship took place at Nga Puna Wai in mid-March.

In mid-February Athletics Canterbury conducted the Canterbury Championships at Nga Puna Wai, scheduled as a Friday evening and Saturday afternoon programme. Canterbury Masters Track & Field Championship events were included within this meeting.

In late February the organisation assisted the International Track Trust to deliver a Bronze-level meeting at Nga Puna Wai, attracting a number of international competitors. In early March, 133 athletes represented Athletics Canterbury at the Athletics New Zealand Track & Field Championships in Auckland; Athletics Canterbury's contribution included specialist equipment and officials in key roles.

Throughout the year Athletics Canterbury delivered multiple official education courses covering track, field, non-stadia and technical disciplines. During Term 4 of 2025 and Term 1 of 2026 the organisation supported school athletics at Nga Puna Wai by providing onsite teacher education where required, equipment, and selected key officials for interschool events.

Many events organised by Athletics Canterbury and affiliated clubs were open to both club members and the general public. Several Canterbury athletes were selected for New Zealand representation during the period, notably Hamish Kerr (high jump), Tom Walsh (shot put), Lauren Bruce (hammer) and Tiaan Whelpton (100 m).

Statement of Accounting Policies

Athletics Canterbury Incorporated

For the year ended 31 March 2026

'How did we do our accounting?'

Basis of Preparation

The entity has elected to apply New Tier 3 (Not-For-Profit) standard on the basis that it does not have public accountability and has total annual expenses equal to or less than \$5,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

Athletics Canterbury Incorporated is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits).

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with the previous reporting year..

Fixed Assets

Fixed Assets are recognised at cost less accumulated depreciation.

Revenue Recognition

Grants that are received with conditions attached are initially recognised a liability and are transferred to income when the conditions have been fulfilled. All Donations are recognised upon receipt.

Grant without documented expectations over use are recognised as revenue when the funds are received. All other income is recognised as it is earned during the year.

Notes to the Performance Report

Athletics at Ngā Puna Wai is entering its ninth season, and the surface is beginning to show signs of wear and tear. The planned re-surfing of the track is due to occur late 2027, early 2028. Although some vegetation has been established, wind remains a significant challenge. More hedge plants have been added, and larger trees are planned, though it is too early to know how effective they will be. For several years now, we have used the old photo-finish cube from Rawhiti Domain on the back straight, which has allowed sprinters to run in both directions.

Athletics Canterbury Interclub & Championship Meetings:

At the **18th October 2025** Opening Day meeting, there were 154 entries, up compared to last season. Attendance increased once the season began, especially with Christs College boys participating in athletics. Notably, schools benefit significantly when a teacher is enthusiastic about athletics.

This was the second season using **AthleticNET** for online entries at interclub meetings, replacing GameDay and Meet Manager. During the past twelve months Craig Brown and myself (AthleticNET users) have upskilled ourselves and provided feedback to AthleticNET / AthleticsLIVE & AthleticFEILD as to how the

AVERAGE 2025/26	11	14	16	13	4	4	6	3	2	1	72

system can be enhanced. This system has now be adopted as the preferred event management system throughout New Zealand.

I would like to acknowledge the help I received from Josie Gray, Rod Syme and Helen Mackle who assisted me with entering field event results throughout the season. If you are interested in helping with results at interclub, please let me know.

We recognise that some athletes had difficulties with AthleticNET account setup or profile claiming, but its benefits became evident as the season went on.

Craig Brown and Brian Theobald have contributed their expertise in technology updates. An additional role for Brian is coordinating the official's roster each week, which is a challenging role. Mid-season, that role has now be taken over by Bevan Ralfe. Which field events we offer at interclub is determined by the available officials. More officials means more events.

The table on the previous page shows attendance figures for interclub meetings held throughout the season and all previous seasons at NPW. The data indicates that participation is higher among under age athletes, while there are relatively few seniors or masters competing. This trend presents a challenge for future events. Given so many of our better athletes head overseas to USA once they leave school, it is not surprising we have lower senior attendance figures.

Over the past five seasons, four twilight meetings have been held each November. Although this season the second meeting was cancelled due to bad weather. These events are open to club and community athletes, including those preparing for the New Zealand Secondary School Track & Field Championships, which take place in early December. This year, the championships were hosted in Hastings, with many officials from our organisation assisting over the three-day event.

Terry Lomax organised a **Rhythm & Jumps Meeting** at the Christchurch Boys High School training facility, with participation from athletes outside Canterbury. The meeting was held as in previous years.

Fewer competitors are entering the **Christmas Cracker Twilight** Meeting on Saturday 27th December. The handicap 100m heats and final took place, with a mixed gender final resulting in a close finish.

The **Lovelock Classic Meeting** in Timaru took place a week later than usual on 10th January 2026, featuring the regular Children's events in the morning. Supported by Canterbury officials and athletes, it was one of their largest meetings in recent years.

The main events of the **Athletics Canterbury Track & Field Championship** took place on Friday, 13th and Saturday, 14th February 2026. The Canterbury Masters also conducted their championship competitions during this weekend, which I believe represents a positive direction for future planning.

The last three Athletics Canterbury Championship events took place on these dates: Steeplechase (24th January), 3000m (31st January), Pole Vault (11th February) and 5000m (18th March).

For several years, Classic Meetings have been scheduled during January and February, coinciding with our championship events. As a result, some of our top athletes are unable to participate in local competitions during this period.

The **International Track Meet** took place on 21st February 2026 and had the highest number of international athletes for any Bronze Meeting in the country. I would particularly like acknowledge to Craig Motley as it is through his close relationship with overseas athlete agents that he able to attract athletes to this event. To maintain its success, the ITM Trust will collaborate closely with Athletic Canterbury and Athletics NZ, with all parties committed to its continued success.

New Zealand Track & Field Championships: 5th - 9th March 2026, Auckland:

The Athletics New Zealand Championships were held in Auckland. There is athre year deal in place with TV coverage and other sponsor. Several officials travelled to Auckland before the event to assist with setting up the facility, and many others held key roles during the championships. The event was well organised.

This year, 154 athletes were selected to represent Canterbury, the largest team in years. Managed Mike

Drury, Craig Motley, and me, the team delivered strong performances, with many athletes winning medals (see table below).

The following table summarises Athletics Canterbury's team size and results at recent ANZ Championships.

	2026	2025	2024	2023	2022	2021	2020	2019	2018	2017	2016	2015	2014

Several Canterbury athletes were selected to represent New Zealand in several competitions. The most notable being Hamish Kerr (World Indoor Championships GOLD - high jump), Tom Walsh (World Indoor Championships GOLD - shot put), Lauren Bruce (Oceania Championships GOLD - hammer), and Tiaan Whelpton (World Indoor Championships - 60m, Oceania Championships BRONZE - 100m).

I would like to thank all officials who helped run events at Nga Puna Wai and those who also travelled around New Zealand or overseas to officiate at various events.

So that's a wrap on another season of athletics in our region and what an amazing season it was.

First of all, I would like to say a huge thank you to all the officials, parents and helpers that turn up week in, week out to run events ranging from club nights to Friday night interclubs and the 3 Sunday interclubs.

Without your help and dedication, these events simply cannot take place, and these events just keep getting bigger and bigger so once again a huge thank you from myself and everyone involved in the sport as without your help then all the athletes will miss out.

Secondly, I would also like to say a huge thank you to Helen Mackle and Reg Brockett.

Once again they have gone above and beyond for the sport of athletics in our area this past season and most of the work behind the scenes goes unnoticed by most people but I for one appreciate all the hard work and organising etc that you do behind the scenes and for your passion for the sport in our area.

Thank you to all the club delegates and committees of the local clubs of the Mid-South Canterbury Sub centre who have also worked tirelessly behind the scenes organising club nights and the local interclubs and making them successful.

Thank you for all those who have attended our monthly meetings, especially those that have had to travel from the wider areas ranging from Waimate in the south to Ashburton in the north and everywhere in between.

Sadly, this season the South Canterbury club chose to not be part of the Mid-South Canterbury Sub Centre of Athletics Canterbury but hopefully they will come back next season as we would love to have everyone competing together again.

The Friday night interclubs were once again a huge success with large numbers of athletes attending and congratulations to all those athletes who came along and competed, and we hope you all had a great time and are wanting to come back to better those personal bests .

The 3 Sunday interclubs were also a huge success again this season and thank you to the host clubs, officials, and helpers who make these events the amazing days that they are.

I would like to say a big thank you to some of our officials who not only officiate at our events but also at Canterbury events, National events and even overseas. Helen, Reg, Adrienne and Corey.

Thank you for all that you do for the sport and all the knowledge that gets passed down to the next group of people coming through the ranks.

This season has also seen a lot of success for a lot of our local athletes at junior and senior levels, and I congratulate you all on your amazing achievements whether it be at local level, Canterbury reps, or New Zealand teams.

Well done everyone!

It is always good to see many athletes, coaches and volunteers up for South Canterbury and Athletics Canterbury sports awards. Congratulations and well-deserved recognition for all your hard work.

Finally, from me , I have decided to step down from the Presidents role for the coming season due to work, family and other commitments which have kept me away from most events unfortunately this season and I haven't been able to give the role the time and focus that it requires .

I have thoroughly enjoyed my time in the role and I will always be around for whoever takes it on next if they need some help and hopefully get back to helping at events again in the near future.

Wishing everyone all the best for the upcoming 2026 – 2027 season

Introduction:

At the recent NZMA AGM, the role of the Masters Committees was discussed. Since the MOU between NZMA and Athletics NZ was introduced, the two organisations have worked more closely. As a result, all masters events are now included in the Athletics Canterbury programme, as they are in many other centres. This approach has been used for cross country, road, and trail events for several years and now also applies to track and field meetings.

An exception is the programme run by Anne Davison, with support from Rick and Justine Whitaker, for our older group of throwers. These events are held before interclub meetings or on Wednesdays and Sundays. This initiative is much appreciated and helps ease pressure on the senior interclub throwing programme.

Opening Day for the eighth track and field season at Ngā Puna Wai is set for 18 October 2025. Athletics Canterbury interclub meetings average about 135 participants, including around 15 masters athletes.

South Island Masters Track & Field Championships:

With South Island Championships were held in Nelson from 23 – 25 January 2026, at Saxton Fields. Of the 75 competitors, there were 19 from Canterbury. Later this year the SI Championships will be held in Invercargill.

The following Canterbury athletes broke records: Tania Lutton (W55) – shot put (11.60m), discus (27.89m) & TP (2994pts). Anna Lynch (W40) – TP (2612pts), John McManus (M55) – javelin (27.04m) & TP (2439 pts), Joden Pratten (M40) – discus (42.15m) TP (2931pts)

NZMA Track & Field Championships:

Because of a crowded season schedule, the NZMA Track & Field Championships were held at TET Stadium in Inglewood from 13–15 March 2026. Organising a master's championship now extends beyond local Masters Centres, and the Taranaki LOC included Taranaki Masters members, the Athletics Taranaki Track & Field Committee, and paid staff member Melissa Maw. Police and FENZ members were again invited to compete. My role included liaising with the LOC, setting the order of events, managing online entries, preparing the programme booklet and race numbers, seeding events, and helping with results. This was a substantial task, especially in producing a workable programme. We were fortunate to have experienced Taranaki officials on the LOC, along with many Athletics NZ officials who delivered the meeting efficiently throughout the weekend. I would also like to acknowledge Mark and Andrea Harris. Mark provided significant technical equipment, and his expertise with AthleticNET and photo-finish was invaluable. Andrea was responsible for setting up the EDMs for the throwing events.

The event attracted 230 competitors, the second largest number since my involvement dating back to 2010., Canterbury had a small team of 19 attend the meeting. It was encouraging to see many younger masters attending, which bodes well for the future.

During the season following Canterbury athletes set a **NZMA National** records: Louise Martin (W60) – 60m (9.03), Helena Dinnissen (W40) – long jump (5.31m), Tania Lutton (W55) – shot put (11.87m), Anna Lynch (W40) – throws pentathlon (2612pts), Craig Oliver (M40) – 800m (1:57.78), Philip Parkin (M80) – 1500m (6:27.12) & 3000m (14:17.80)

During the season following Canterbury athletes set a **NZMA Championships** records: Maicalia Steinegg (W30) – 400m (58.67), Tania Lutton (W55) – shot put (11.64m), Philip Parkin (M80) – 1500m (6:27.12) & 3000m (14:17.80)

Oceania Masters Track & Field Championships:

The OMA Championships were held in Brisbane from 6–10 September 2025. I attended to assist with results and AthleticLIVE and to take part in the OMA AGM. As a current OMA Council member, I offered to host the next championships at Ngā Puna Wai when expressions of interest were invited. For the event to succeed, we will need strong support from Athletics Canterbury, our local community, and Athletics NZ officials from around the country.

Just under 100 New Zealanders took part. The following Canterbury athletes competed.

Vic Chapman (W45) – 4th 800m (2:35.83),

Helena Dinnissen (W40) – 1st 100m (12.90), 2nd 200m (26.44), 1st long jump (5.31m),

Sharon Farmer (W75) – 6th weight (7.76m), 7th shot put (5.89m), 5th discus (13.58m), 8th hammer (17.46m), 4th javelin (10.25m), 5th throws pentathlon (1920pts)

Nadine Fea (W45) – 3rd high jump (1.10m), 4th shot put (8.65m), 6th discus (20.17m), 9th hammer (20.74m), 6th javelin (15.85m), 7th weight (10.30m)

Tania Lutton (W55) – 2nd shot put (11.29m), 2nd discus (29.76m), 6th throws pentathlon (2767pts)

Wendy Richards – 5th 5000m (23:53.79), 6th 6000m XC (41:57.00),

Justine Whitaker (W80) – 1st shot put (6.60m), 1st discus (15.49m), 3rd hammer (16.93m), 2nd javelin (12.20m), 2nd weight (8.12m), 3rd throws pentathlon (2540pts)

Adrian Dinnissen (M45) – 2nd high jump (1.44m), 5th long jump (4.21m),

John McManus (M55) – 4th shot put (9.35m), 9th discus (27.64), 5th hammer (25.55m), 6th javelin (28.94m), 5th weight (9.89m), 4th throws pentathlon (2123pts)

Peter Richards (M65) – 2nd 800m (2:37.39), 1st 1500m (5:23.90), 1st 5000m (19:03.40), 1st 8000m XC (33:00.00),

Roger Ward (M70) – 5th 800m (3:03.53), 4th 1500m (6:07.54),

NZMA Board Up-date:

This year, Christine McCahill was elected to the Board. Having previously served on the Board, she brings valuable accounting expertise and will be an asset to the committee.

The Board has a good balance of younger and older members, but an ongoing challenge is preparing newer members to take over when the time comes. This can be difficult, as younger Board members are often time-poor because of work and family commitments.

Work is continuing behind the scenes to secure the future of Masters' athletics within New Zealand's crowded summer season, particularly in February and March. The 2028 NZMA Track & Field Championships are planned for Dunedin.

CMA 2023 / 2025 Membership Details:

The previous membership figures are as follows: 160 (2010), 131 (2011), 110 (2012), 97 (2013), 82 (2014), 70 (2014/2015), 90 (2015/2016). All of these figures include members of clubs & NZMA.

Since the MOU in 2016, we have two separate groups. CMA members who only join NZMA have been as follows: 32 (2016/2017), 13 (2017/2018), 22 (2018/2019), 22 (2019/2020), 11 (2020/2021), 14 (2021/2022), 12 (2022/2023), 10 (2023/2024), 17 (2024-2025) & **18 (2025-2026)**.

Each year I note that most masters athletes—more than **200 within clubs**—do not compete at Ngā Puna Wai. I hope that hosting the combined Oceania and New Zealand Masters Track & Field Championships there will encourage more Canterbury masters to take part.

The success of masters track & field relies on us encouraging ANZ club master's members attending events at Nga Puna Wai.

CMA Records:

Anne Davison has assisted with maintaining a list of records set by our throwers. However, I am currently looking for someone to take over the looking after the records. Please contact me if you can help.

CMA Committee:

During the past season, the committee has not met since the AGM. CMA has remained an Incorporated Society. It is advantageous for CMA to remain this way, as it enables us to make funding applications, independent of Athletics Canterbury.

The future of CMA?

Each year the CMA / NZMA membership numbers seem to have remained about the same, but still lower than in previous years. This is not unique to just Canterbury. I remind ALL members that any athlete who is over 30 and a member of a club is also by default a member NZMA / CMA.

The 2025 winter season produced many highlights, which are listed below and were the result of the hard work by the committee of Annette Campbell, Ben Musson, Colin Prescott, David Lee, Don Greig, Ian Thomas, John Gamblin, John Ingles, Kevin Prendergast, Lahana Reeves, Sandie Gamperle, Shona Brown, and Sue Johnson.

We were ably assisted by Craig and Shona Brown, Anne Kennedy, Diana Phipps, Brian Theobald, as well as many officials. Thanks for turning up and helping us deliver some great events.

The committee worked hard on making the winter season more appealing to our athletes by improving the programme and to this end we introduced five new races - Bottle Lake Hill Assault, 1 mile Championships, 5km Championships, Canterbury Road Relay and the Time Trial in Hagley Park. All of which were well received.

Thanks to the Race Directors who organised all the events on our programme. They were, John Gamblin, Victor Gamperle, Annette Campbell, David Lee, John Ingles, Daniel Redmond, Craig Motley, Peter Baylis, Meg Christie, Richard Seigne, and Kevin Knight.

At the beginning August we hosted the **New Zealand Cross Country Champs** in Hagley. We were fortunate to be able to have access to part of the Hagley Golf course with some sharp hills and a few sand bunkers. This made the course more challenging than it looked and of course, we also added some hurdles. It was also stunning weather for the individual races, with great live coverage, plus with the relays being held under lights in the evening, adding to the atmosphere.

Canterbury was well represented with eight individual title holders and winning the teams medals for Senior Men, Senior Woman, Master Women's 35 – 49, Men U16 and Girls U16. In the evening, Christchurch Avon took out the senior mixed relay while Selwyn won the mixed U16 relay. Canterbury had nine athletes selected to represent New Zealand at the World Cross Country Champs.

The highlight for me was Connor Melton winning the Senior Men's race and receiving the Golden Ticket to the World Cross country Championships.

Thanks to the Organising committee, officials and the club marshals that made this event a success.

Well done to the Canterbury athletes who went on to compete at the **World Cross Country Championships in Tallahassee, Florida in January**. Getting selected was hard enough and by all accounts it was very trying conditions on the day.

Senior Women's (10km)

Sophie Hicks 36:50 (58)

Senior Men's (10km)

William Little 32:28 (73) and Taonga Mbambo 33:53 (96)

U20 Men (8km)

Bede Colbourne 28:30 (65)

U20 Women (6km)

Brynne Gordon 22:29 (51) and Poppy Healy 23:33 (62)

Cross Country Mixed 4x2km Relay

Christian De Vaal, **Tillie Hollyer**, **David Lee**, Boh Ritchie 24:48 (14).

It was unfortunate that Connor Melton pulled out just short of the finish line, suffering heat exhaustion due to the high temperature and humidity. Eva Pringle had also been selected, but did not travel.

At the Awards evening this year, it was pleasing to see Will, David, Connor, Brynne, Coach Sam Mclean, and Camp Mother Lorriane Wilson, taking part in a Question and Answer session which give us an insight into their experiences at the World Cross Country, as well as a better understanding of the effort required to get there. The message was about consistency of training and competing over a long period.

New Zealand Road Championships

Gold medals to Jonah Cropp, SM Walk, Laura Langley – SW Walk and Alys Brown – WU20 Walk

Oska Baynes was place 3rd in Seniors and Brynne Gordon 3rd in Women U20

New Zealand Road Relay Championships

The New Zealand Road Relay championships were back in the Fielding district last year and Canterbury team

managed to feature in many of the grades.

Whippets won the Senior Men's relay with University of Canterbury second.

The Whippets woman were second in the Senior Woman's race, with Christchurch Avon 3rd.

In Master Women's 35 Don Greig Racing Stables were second, while DGRS Women 50+ were third in their grade

University of Canterbury were second in the U20 Men Grade.

International

Canterbury continued the fine tradition of gaining success while competing overseas.

At the 2025 World Mountain and Trail running in France, Maia Flint 49th in Senior Woman's Vertical Uphill and 38th in Senior Woman's Mountain Classic. Bridie Restieaux was 42nd in the Woman's U20 Mountain Classic.

Jonah Cropp and Alysa Brown competed in the World Walking Championships in Brasilia, Brazil

Laura Langley competed in Canberra at the LBG Walks Carnival and a New Zealand record in the 35k walk with a time of 3:14:33.

Connor Melton finished 4th in the 2025 Australian Cross Country Championships.

Will Little won the Run Prix 10km in Melbourne.

Caden Shields was 11th in the Melbourne Half Marathon

Local awards

- Senior Cross Country Runner of the year – **Connor Melton**, 1st SM in NZ Cross Country Champs.
- Road Runner of the year – **Oska Baynes**, 1st NZ and Canterbury Marathon Champs, 3rd NZ Road Champs.
- Secondary School Non-Stadia Athlete of the Year – **Brynne Gordon**, 1st SG Canterbury Secondary Schools Road and Cross Country Champs.
- Junior Non-Stadia Athlete of the Year – **Kate Currie**, 1st Woman U20 NZ Cross Country
- Senior non-Stadia Athlete of the Year – **William Little**, 4th NZ Cross Country Champs, 1st Albert Park (Melbourne) 10k 28.47
- New Official of the Year – **Diana Phipps**
- Official of the Year – **John Ingles**
- Merit Award – **Annette Campbell**
- Club of the Year – Senior – 1st Christchurch Avon, 2nd DGRS, 3rd Sumner
- Junior – 1st Christchurch Avon, 2nd Port Hills, 3rd Awatea

Cross Country and Road Committee for 2026 / 27 Season

Victor Gamperle, John Gamblin, John Ingles, Shona Brown, Sandie Gamperle, Sue Johnson, Lahana Reeves, Ben Musson, Don Greig, David Lee, Colin Prescott, Amy van der Deurs, Helena Dinnissen, and Kevin Prendergast.

It is requested that the above people be formally ratified at the July Athletics Canterbury AGM

NATIONAL TITLE HOLDERS - Non-Stadia Events

Congratulations to the following athletes / teams who won National Titles during the 2025 winter season

ANZ Cross Country Championships

Connor Melton	Senior Men
Andy Good	MW 35-39
Hannah Oldroyd	MM 35-40
Margaret Flanagan	MW 75-79
Kate Currie	WU20
Issac Brewster	MU17 Para
Sascha Mitchell	Girls U16
Jacob Radcliffe	Boys U14

ANZ Cross Country Championship Teams

Daniel Balchin	SM
David Lee	
William Little	
Connor Melton	
Tamara Reeves	SW
Kiri Aitkin	
Saskia Cosgrove-Drayton,	
Lahana Reeves	
Hannah Oldroyd	MW35-39
Annabelle Bramwell	
Angela Doig	
Nicola Handley	
Caleb Radcliffe	MU18
Leo De Monchy	
Daniel Wordsworth	
Elliot Ramousse	
Sascha Mitchell	Girls U16
Tayla Cox	
Tayla Ford	
Kiera O'Donnell	

ANZ Cross Country Relay Championships

Noah Fenwick	Senior Mixed Team
Kate Currie	
Tayne Patel	
Tamara Reeves	U16 Mixed Team
Jacob Morris	
Isabel Prescott	
Luke Angland	
Elodie Wightmam	

New Zealand Road Relay Championships

Whippets

Cameron Clark	SM
Toby Tasker	
Cameron Swales	
William Little	
David Lee	

Connor Melton (204) pacing himself in the Senior Men's Cross Country Championships.

ANZ Road Championships

Jonah Cropp	SM Walk
Laura Langley	SW Walk
Alysa Brown	WU20 Walk

ANZ Marathon Championships

Oska Inkster-Baynes	SM
Oska Inkster Baynes	University of Canterbury SM Teams
Blair McWhirter	
Orestas Rimkus	
Daniel Redmond	DGRS SW Teams
Ange Wreford	
Lisa Brignull	
Louise Darwin	

ANZ 1 Mile Championships

Bridie Restieaux	WU20

ANZ 100km Championships

Ben Taylor	SM
------------	-----------

Background: 2025/26 year.

The Bill Richards Marathon Trusts Mission is "Improving the standards of marathon running amongst runners registered with Athletics Canterbury." The trustees intend to achieve this mission by developing, rewarding, connecting, and inspiring Canterbury distance runners and their coaches.

The areas of strategic focus for 2025 /26 were to:

- Continue to develop the profile of the BRMT and raise awareness amongst the distance running community of what it can offer;
- Apply consistent and transparent criteria to determine BRMT grants;
- Explore ways we can support more women into distance road running;
- Support distance coaches on the basis that better quality coaches will give a multiplier benefit.

**Progress made:**

2025 saw 17 Canterbury men listed in the top 50 ranked marathon runners for the year including the top 5.

Pleasingly also Canterbury women made up 7 in the top 34 ranked marathon athletes. The last 3 years have seen a gradual increase in the Canterbury women's numbers in the rankings.

While BRMT cannot claim sole credit for this we feel we have contributed, particularly through our grants that help runners get to quality international events and assist them with training, equipment and body maintenance.

Our aim is to continue our support towards Canterbury being recognised nationally as the New Zealand power house of marathon and half marathon running.

During the period the Trust did the following to raise awareness:

- New Website - this was a key project undertaken by Connex World who delivered and support a high-quality platform for a price under our expectation that will enable us to better connect with our base and share their stories.
- BRMT have provided articles about Trust activity and the stories of individual athletes, regularly in the Athletics Canterbury newsletter,
- Supporting Coaches – we made limited progress on how to best interact with and support marathon coaches. Nevertheless, we maintain that a strong coaching base is essential and so this will continue to be a focus for 2026-27.
- We have continued to make grants using consistent criteria with primary focus on the road half and full marathon, moving away from CC and other off-road events.
- We held one workshop on Nutrition supplements, facilitated by Clara Fergus and sponsored by Pure supplements.

Financial Report:

Our budget was \$21,000 split \$14,000 for Grants and \$7,000 for Communications, and projects. We underspent mainly due to lower than expected cost of the website and some service providers declining payment.

• Spend on Development Grants	\$ 2,000.00
• Spend on Event(travel) Grants	\$10,250.00
• Website Redevelopment	\$ 3,326.48
• Other, including Workshops	\$ 475.00

Total	\$16,051.48
--------------	--------------------

Grants Made:

Application numbers were steady with a pleasing number of first-time applicants. The Trustees have taken the approach of making initial small development grants to encourage athletes who have shown the interest in and potential for longer distances with the prospect of greater support as/when they achieve well at the longer distances. Clara Fergus is a perfect example of an athlete given a development grant in 2024 and then an event grant for the Auckland Marathon in 2025 where she ran a PB Sub 3 hour time to be ranked 12 NZ woman.

Nevertheless, we still made the greatest number of and largest amount grants for travel to our top ranked athletes to attend mainly international events.

Individual Development Grants

• Tamara Reeves	ChCh Avon
• Noah Fenwick	ChCh Avon
• Lucy Jerke	ChCh Avon
• Tayne Patel	ChCh Avon

Our “no strings attached” development grants are appreciated by the athletes and from our observations are appropriately spent on things like shoes, physio/massage, gym fees.

Event (travel) Grants

• Taonga Mbambo	Philadelphia 10 miler
• Bridie Restieaux	World Mtn Run Champs
• Chris Dryden	Gold Coast Marathon
• Kirsten Hall	Gold Coast Marathon
• James Richmond	Gold Coast Marathon
• Caden Shields	Gold Coast Marathon
• Ben Thomson	Chicago Marathon
• Clara Fergus	Auckland Marathon
• Chris Dryden	Fukuoka Marathon
• Oska Inkster Baynes	Osaka Marathon
• Caden Shields	Ballarat Marathon
• Connor Melton	Launceston Half Marathon
• William Little	Launceston Half Marathon

The most aspirational runners seek out prestigious overseas events to test themselves. These athletes must still contribute a significant amount of their own funds, even when selected for national teams. While some have the entry fee provided by the event and possibly some accommodation others have no other sponsor support to get to these events, so our travel support is often decisive.

ATHLETICS CANTERBURY TRACK AND FIELD RECORDS as at 25/01/2026

Note: All **NEW** records set during the season appear as **BOLD** and *Italic*.
