Points to consider for all athletes and coaches:

- THREE options for Sprinters that we are trialing for this half of the season:
 - Normally events as in previous seasons - 60m followed by 100m
 - 2 x 100m relay, followed 100m (Teams of TWO to practice relays, enter on the day)
 - 100m HEATS followed by 100m Final (Athletes to advise in opting OUT of the FINAL 100m)
- We have paired 200 / 800 and 400 / 1500m alternating each interclub. This is to ensure we have greater participation in each of those events, making them more competitive. We will offer more options at the twilight meetings, based on requests from coaches.
- Track Walk (TW) events to be included with Canterbury Children's walk events as per last year.
- Long Hurdles: Long hurdles can be added on the same day as 400m race at a coaches' request.
- We have offered a greater range of events at a twilight given we are encouraging Secondary School non-club athletes to attend, plus the number of entries is lower than on a Saturday.

Points to consider for all athletes and coaches:

1. At a recent Track & Field Committee, we discussed which field events we can offer at each interclub. The issue we have is that we DO NOT know exactly how many officials we will have at each interclub. Therefore, it is impossible to complete the rotation of interclub field events at this time. This will be reviewed and updated following the first two interclub meetings.
2. So that we offer more events and provide a positive experience for those attending (officials & athletes) we need your help. If you can assist at interclub meetings, please contact [Bevan Ralfe](#) (AC Official's Co-ordinator)
